Field Asset Services, Inc

October 9, 2009

Dear Ms Ashley Tackett

This e-mail is in response to our telephone conversation last month concerning our property located at 406 Pierce St in Brohman Michigan. As you will remember per our conversation your company "Field Asset services, Inc" broke into our property, replaced the locks and removed every piece of personal property inside and outside of the buildings. After the company was notified of their trespass by the State Police and myself the company again forced entry of the property on September 8, 2009 causing more damage and winterizing the property.

This attached list is a value amount of the property loss and damages for your trespass. The state police incident report number is 65-3083-09 for the first violation. The second violation occurred 9/8/09 and we again reported this to the state police, you can contact them yourself if you need another incident report number.

You may contact me at 616-894-4989. I would appreciate a telephone call to let me know the status of this situation.

Thank you,

Ricky J Rought
